

## Cheboygan County Highway Facility

Cheboygan | Michigan

**Scope:** This Design-Build project consists of three new highway facility garages estimated to total over 80,000 square foot. The facilities include office areas, a conference room, lunch rooms, and locker / laundry areas. The garage portions include: storage for over 55 vehicles, wash bays, repair bays, parts storage areas, vehicle lifts, an overhead crane, and lube dispensing equipment.

**Owner:** Cheboygan County Road Commission

**Architect:** Bittner Engineering

**Project Cost:** \$3.0 million

**Project Duration:** 7 months

**Completed:** May 2005
